

Guy and Messenger Wire

Product Description

Concentric-lay-stranded conductors of aluminum-clad steel wires.

Application

Used for guy or messenger wire where long life and superior corrosion resistance is desired.

Product Data

Designation	Construction Nos. (in.)	AWG (equiv.)	Stranded diameter (in.)	Cross section (in ²)	Breaking load (lb.)	Weight lb./1,000 ft.
4 MG3	3/0.102	3/10 AWG	0.220	0.0245	4,500	70.61
5 MG3	3/0.114	3/9 AWG	0.247	0.0306	5,600	88.18
6 MG	7/0.081	7/12 AWG	0.242	0.0361	6,300	104.1
6.6 MG	7/0.083	--	0.249	0.0379	6,600	109.3
