

PRODUCT:

HD CLEANER

HD CLEANER

87000

ELECTRICAL GRADE

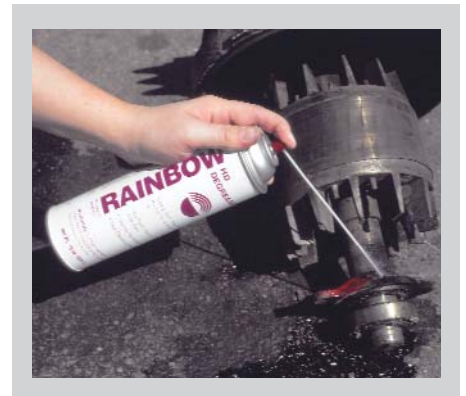

THE BASICS:

- This TCE-based cleaner is the closest replacement for 1, 1, 1, Trichloroethane.
- Efficient and easy to use, this non-conductive, non-corrosive cleaner has NO fire or flash point and evaporates quickly with NO residue. It is excellent for removing grease, moisture, and loose contaminants from non-energized motors and electrical cables.
- HD CLEANER is very effective for removing grease, oil, dirt, moisture, and other foreign substances. Dirty electrical equipment can result in high electrical stress and premature equipment failure.
- This stable, fast-acting solvent was specifically formulated for really tough cleaning and degreasing jobs on dirty, corroded machinery and electrical equipment.
- The pressurized can with extension tube provides a powerful flushing effect as well as a solvent effect to loosen and remove contaminants. HD CLEANER gets equipment back into service with a minimum of downtime and effectively cleans medium voltage cables prior to splicing and termination.

APPLICATIONS:

HD CLEANER is so powerful and versatile that it can be used on many types of electrical equipment including:

- Air conditioning systems
- Air Tools
- Alarms
- Antenna insulators
- Coils
- Compressors
- Conduits
- Electric motors
- Electrical cables
- Fans and blowers
- Generators
- Material handling equipment
- Mechanical brakes and clutches
- Metal contacts
- Motor housings
- Parts
- Switchgear
- Tools

NOTE: Some cleaners may attack plastic surfaces. Test all plastic items for compatibility before use.

FEATURES	HOW YOU BENEFIT
Chlorinated Solvent (TCE)	Closest 1, 1, 1, Trichloroethane replacement
Has NO flash point, non-flammable, non-corrosive, and non-staining	Employee and equipment safety
Extremely effective solvent for cleaning electrical equipment including cables and motors	Helps reduce maintenance time and improves equipment performance
High dielectric strength (38,000 volts)	Employee safety, reduces chance of arcing

RAINBOW

TECHNICAL HIGHLIGHTS:

Cleaning Effectiveness - Excellent
Flash Point - None

Dielectric Strength - 38,000 volts
Evaporation Rate - Fast

RELATED PRODUCTS:

Rainbow Technology offers a comprehensive line of products to the utility and telecommunications industries. Users of HD CLEANER often find these other Rainbow products helpful too.

- Stormy® All Weather Corrosion Protector (4401)
- Clean & Lube (4410)
- KNUCKLES Hand & Tool Cleaning Towels (79315, 79316)
- Multi-Purpose Lubricant (4403)
- Multi-Purpose Terminal Brush (4494)
- Rainbow Air (4028)
- Silicone Spray (85000)
- Cleaning Swabs & Wipe - Premoistened or Dry (many types available)
- Corrosion Stop (86000)
- Corrosion Wash (4495)
- CP Cleaner (42150)
- CP Wipes (4215)
- CP Wipe Kits (42151, 42152)

MATERIAL SAFETY DATA SHEET:

This product is only for sale to and use by service personnel. MSDS available on request.

PACKAGING:

PRODUCT NUMBER	CONTAINER SIZE	UNITS/CASE	CASE WEIGHT	CASE SIZE L x W x H
87000	20 oz Aerosol	12	17 lbs	11" x 8.5" x 10.5"

ANSWERS TO YOUR QUESTIONS:

Do you have a question about any Rainbow Technology product? Because we've been supplying the utility and telecommunications industries since 1971, our technical support team has the expertise to provide answers and solutions.

Just call us at 1.800.637.6047.
