Product Specifications

PHYSICAL CHARACTERISTICS

- All aluminum construction, with die cast housing
- Raw aluminum finish; grey powder coat optional
- Tool-less access and removable driver door for easy maintenance
- Corrosion-resistant hardware
- Mounts to pipe arms 1-5/8" to 2-3/8" OD. Optional Wall/Pole Bracket allows direct mount to wood pole or wall.
- Approximate net weight without refractor (open bottom) : 4.25lbs
- EPA (without refractor) = 0.30
EPA (with CNR refractor) = 0.36

OPTICAL

- 4 color temperature options
 - » 70CRI: 2700K, 3000K, 4000K, 5000K
 - » T2, T3, and T5 distributions
- Optional Caretaker Nano acrylic refractor
- Compatible with ANSI/NEMA open bottom refractor assembly
- Field installable snap-on shielding (single square or perimeter fence shield)

ELECTRICAL

- 120-277V; 50/60Hz
- Standard 0-10V dimming with integrated 6kV surge protection
- 10kV and 20kV surge protection options in parallel or series configurations
- -40°C to 40°C ambient temperature operating range; -40°C to 50°C ambient temperature operating range at 20-30W

CONTROLS

- Optional Field Adjustable Dimming Control (FADC) module allows for manual adjustment of lumen output and power usage; factory preset to highest output level. Enables a single SKU to cover multiple field applications
- Fully compatible with CLS Trellix Infrastructure UNB (Ultra Narrow Band) and cellular network lighting controls platforms. Enables wireless collection of luminaire performance and status data and asset management for luminaires installed in the field

- Optional 4-pin Zhaga Book 18 receptacle for integration of onboard sensors with DALI-enabled drivers

COMPLIANCE

- Meets ANSI C136.25 for IP66 Optical enclosure rating
- Meets ANSI C136.31 for 3G luminaire vibration. Customer is responsible for engineering analysis to confirm pole and fixture compatibility for all applications
- Meets ANSI C136.15 for luminaire field identification label standard
- Meets ANSI C136.22 internal label standard
- Safety listing - Wet Location UL 1598
- U0 option provides a full cutoff with a spun aluminum shield
- DarkSky approved for 3000K CCT and warmer, with mounting options less than 10° of tilt
- DLC and DLC Premium listed- visit designlights.org to confirm listed variations
- BAA domestic preference option meets BAA requirements. See [DOMESTIC PREFERENCES](https://www.cooperlighting.com/preferences) website or consult the CLS Domestic Preferences team for more information
- FHWA and FTA agencies are utilizing their BAA rules for BABA compliance. Cooper's products with a BAA designation are manufactured in the US and utilize a BAA COTS exemption rule for compliance. To verify a configured product with specific accessories and options meet BABA Domestic Preference Requirements; submit this catalog number to Cooper Lighting Quotation team for validation by our Engineering and Manufacturing teams. Please refer to the [DOMESTIC PREFERENCES](https://www.cooperlighting.com/preferences) website or consult the CLS Domestic Preferences team for more information. Components shipped separately may be separately analyzed under domestic preference requirements

WARRANTY

- Five-year limited warranty. Consult website for details. www.cooperlighting.com/legal

NOTES:

1. Can be used for 20W and 30W only.
2. Not compatible with TSR optic.
3. Not available with 20K, PR7, DALI, or D4 options.
4. Not available with FADC option.
5. Does not include Trellix software subscription (ordered separately).
6. Not currently available with B18, B24 or B30.
7. BAA domestic preference option meets BAA requirements. See [DOMESTIC PREFERENCES](#) website or consult the CLS Domestic Preferences team for more information.
8. FHWA and FTA agencies are utilizing their BAA rules for BABA compliance. Cooper's products with a BAA designation are manufactured in the US and utilize a BAA COTS exemption rule for compliance. To verify a configured product with specific accessories and options meet BABA Domestic Preference Requirements; submit this catalog number to Cooper Lighting Quotation team for validation by our Engineering and Manufacturing teams. Please refer to the [DOMESTIC PREFERENCES](#) website or consult the CLS Domestic Preferences team for more information. Components shipped separately may be separately analyzed under domestic preference requirements.
9. DarkSky approved when ordered with 3000K or warmer CCT

House Side Shield Details

Perimeter Shield Details

Mounting Details

Optional Wall/Pole Mounting Bracket

Wall Mount / Square Pole Mount

Pole Mount

Optional Wood Pole Pipe Arm

Installation Overview

Quick Instruction Steps:

1. Loosen Mounting Bolts for Pole Clamp
2. Insert Pole Arm Into Fixture
3. Tighten Mounting Bolts on Pole Clamp
4. Open Door by Unscrewing the Door Screw
5. Pull Wires into Housing Through Rear Slot and Wire Appropriately
6. Close fixture Door with Door Screw
